

Smart Thermostat Rebate

Terms and Conditions

DEFINITION:

Smart thermostats are Wi-Fi thermostats that can be used with home automation and are responsible for controlling a home's heating, ventilation, and air conditioning. They perform similar functions as a Programmable thermostat but also contain additional features, such as sensors and Wi-Fi connectivity, that improve upon the issues with programmable thermostats.

APPLICATION OFFER:

Details of this Rebate are subject to change or cancellation without prior notice. Date of installation must be after home energy savings audit date.

ELIGIBILITY:

Rebates are available only to residential electric services customers. Materials must be installed in the service territory of Groton Utilities/Bozrah Light and Power.

PROOF OF PURCHASE:

An itemized invoice or receipt of purchase must accompany each Rebate application form.

APPLICATION FORM:

This application must be filled out completely, truthfully and accurately. Customer must submit the application along with the contractor's invoice.

PAYMENT:

Please allow 6 to 8 weeks for payment. Payment process may take longer if information is missing on application.

APPROVAL AND VERIFICATION:

Pre-approval from Groton Utilities/Bozrah Light and Power will be required if the rebate total is greater than \$400 per customer account. Groton Utilities/Bozrah Light and Power requires a post-installation inspection.

ENDORSEMENT:

Groton Utilities/Bozrah Light and Power does not endorse any particular manufacturer, product or system design in promoting this Rebate. Details of this Rebate are subject to change or cancellation without prior notice.

WARRANTIES:

Groton Utilities/Bozrah Light and Power DOES NOT WARRANT THE PERFORMANCE OF INSTALLED MEASURES, EXPRESSLY OR IMPLICITLY. Groton Utilities/Bozrah Light and Power makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations,

warranties of merchantability or fitness for particular purpose regarding the material or services provided by a contractor or vendor. Consult your contractor for details regarding performance and warranties.

LIMITATIONS OF LIABILITY:

Groton Utilities/Bozrah Light and Power is limited to paying the Rebate specified. Groton Utilities/Bozrah Light and Power is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this Rebate.

ASSIGNMENT:

The customer may assign the Rebate payment to a qualified contractor.

OWNER'S CERTIFICATION:

Owner certifies that he/she purchased and installed the Smart Thermostat at the defined location. Owner agrees that all information is true and that he/she conformed to all requirements listed. Owner has verified that the material listed above has been installed correctly.

ISO-NE CAPACITY PAYMENTS:

Customer agrees and acknowledges that this installation of energy efficiency measures may result in financial incentives or environmental attributes related to Customer's participation In the Program which may benefit CMEEC and/or Utility. Customer hereby agrees to assign to CMEEC on behalf of Utility any and all right, title and interest in Customer's portion, if any, of such financial incentives and/or environmental attributes. By signing this document, and as a condition for receiving a Rebate pursuant to this program, customer hereby assigns to its participating MEU, whichever the case may be, all of its rights, title and interest in and to any and all LICAP, ICAP, or any and all other capacity-related credits or payments for which customer may be eligible from ISO-NE or such value associated with the settlement of such LICAP, ICAP, or capacity payments as determined through the ISO-NE LICAP, ICAP, or other such like capacity supply auction or market (or its successors or replacements) for any capacity enrolled with ISO-NE.
